A-1 MARKS 47 YEARS OF INNOVATION AND GROWTH

FORT PIERCE, Fla., September 18, 2024 - Employee-owned A-1 Global Holdings, Inc. ("A-1"), the premier provider of structural building components in the Southeastern United States, proudly celebrates its 47th anniversary. This milestone follows a transformative year that showcased the Company's continued focus on innovation, sustainability, and employee empowerment. "As we mark 47 years of building dreams and leading the industry, we are proud of how far we've come and excited about where we're headed," says John Herring, Founder and CEO. "Our long-term vision to be a 100-year Company remains strong, and our success is driven by our commitment to technology and our people."

A-1 made significant strides in expanding its Employee Stock Ownership Plan (ESOP), welcoming 235 additional employees into the program. Jan S. Beck, President of A-1 Global Holdings, highlighted the impact of the ESOP on Company culture: "Our employees are the heart of A-1, and by extending ownership to more of our team, we enhance our capacity to work together toward shared goals. Our ESOP is more than a program. It's a cornerstone of our strategy for future growth and a testament to our commitment to our team."

A-1 achieved several significant milestones, including the promotion of Miguel Amiuny to President of Manufacturing, reinforcing the Company's focus on operational excellence. The Company continued investing in cutting-edge equipment, expanded its facilities to meet growing demand, and implemented advanced robotic systems that have revolutionized its manufacturing process. The introduction of a new back-plating robotic machine has improved production efficiency by 20%. Additionally, A-1's commitment to sustainability remains a top priority, as demonstrated by the delivery of products like EZWALL® Innovative Framing Solution™ with zero waste.
