Michael Minton Recognized as “Legend” by Florida Trend

(Fort Pierce, FL) Attorney Michael D. Minton has been recognized by Florida Trend Magazine as a “Legend” in their annual Florida 500. Michael has been recognized as an influential leader by Florida Trend since the Florida 500 list was introduced in 2018.

The Florida 500 publication, which was released this week, spotlights Michael’s role as prior President of Dean Mead and his leadership of the firm’s Agribusiness Industry and Solar and Renewable Energy teams, supporting the needs of generational agricultural businesses for four decades.

The Florida 500 spotlights Florida’s business leaders across more than 60 business categories. Per the publication, the list culminates in a “highly selective biographical guide to the people who really run Florida.”
